

COMMITTEE TO PROMOTE SQUARE DANCING (CPSD) REPORT

April 2008 by Jackie Daemion

The First Annual CPSD New Dancer Hoedown in February was a big hit. *Sam Shilmover* and *Jim Osborne* were in grand form and everyone had a very good time.

We are happy to report that the CPSD Class is successfully moving through the Plus Calls, learning APD as they go. *Sam Shilmover* is doing a wonderful job of teaching, motivating and entertaining the Class and the Angels who come to help the students.

Speaking of Angels, we would really appreciate it if YOU would come and dance a few tips with the Class. We always wish there were more experienced dancers to help. Any Angel who is a member of a Plus or higher club dances for free with the CPSD Class so, please drop by the Camden Community Center any Tuesday evening.

Some of our members are already dancing with clubs. A few are enjoying Katydid's and another couple are dancing regularly at Westminster Squares. All South Bay Clubs are encouraged to invite the CPSD Class to Party Nights so they can get to know all of the clubs in the area. They are a great group.
