

Committee To Promote Square Dancing - CPSD
March 2011
Jackie Daemion

We send a big THANK YOU to all who attended our "Hearts & Flowers" new Dancer Hoedown with *Lawrence Johnstone* on February 5. There were 14 squares dancing and Lawrence did a wonderful job of entertaining the crowd. The Camden Community Center provided a lovely venue for a hoedown. The proceeds of the dance were donated to the center to help cover the costs of our class.

And speaking of our class, the newer dancers are having a great time and the angels who come to help and enjoy the fun are having a good time, too.

Our next big event is our January Level New Dancer Hoedown, the "Butterfly Ball" on May 21. *Roger Smith & Keith Ferguson* will call for that event and we will have flyers available shortly.

For more information about, and flyers for, our activities, please visit our website at www.c-p-s-d.org.
